

GUIDANCE FROM THE ANGELIC REALM

*MESSAGES OF LOVE, WISDOM AND INSPIRATION FOR AN
ABUNDANT LIFE*

ARCHANGEL MICHAEL THROUGH DEBORAH FAITH

No. 1

GRATITUDE

Think positive thoughts. Your thoughts are creating your reality, therefore think only what you wish to experience and be grateful. Gratitude is the catalyst for bringing what you wish for into your reality faster than you realize.

No. 2

YOUR BIGGEST ILLUSION

The illusion of separation is one of your biggest illusions. No one is ever alone. You have a direct connection to your SELF in the higher realms through your Sacred Heart portal. Thus each of you has within you whatever you need to create the life of your choosing, with little effort on your part.

No. 3

POSITIVE AFFIRMATIONS

A positive statement such as “Thank you for my Healing” is not only affirming to the Universe what IS, but also a statement unto yourself and your powerful MIND that what you’re affirming has already come to pass, which of course it has in the space of a reality where “NO TIME” exists.

No. 4

BLESSING

Bless everything and everyone. When you bless something you are giving it your highest intention, which is Divine Love. Every time you bless something you are blessed in return. More love in your world equals more Light.

No. 5

LOVE AND NURTURE YOURSELF

Love and Nurture yourselves. Often you have neglected yourself and put others needs before your own. Know that you can at any time ask your Creator for a hug if you ever feel alone or in need of love and nurturing. Simply ask and it shall be given.

You are loved beyond measure.

No. 6

BECOME A CONSCIOUS CREATOR

Become a conscious creator of your reality. Start to notice what it is you are thinking and saying. Are your thoughts and words positive ones? Are they up-lifting? Do they support a reality of your choosing? If not, you can change them. Becoming a conscious creator means be-ing aware in each precious moment. Awareness gives you the power to re-create a reality of your choosing.

This is the power of living in the Present. This is a true Gift.

No. 7

LOVE UNCONDITIONALLY

Ask yourself are you still judging someone for being what they choose to be? Or perhaps for behaving in a certain way? Having no expectations of anyone, and of yourself, opens the pathway to loving others and yourself unconditionally.

No. 8

LIFE IS A JOURNEY

Life can be a mystery, a puzzle, but the pieces do all fit together eventually! Have patience and enjoy this journey of discovery. Your life is meant to be joy-full.

No. 9

FEAR

Fear is the absence of love. When you begin to feel fear, just bathe the fear in unconditional love and it will melt away. Love is the antidote to fear. Love can and will heal anything that is not love.

No. 10

BELIEVING

Belief is one of your most powerful gifts. Use it wisely for it will mold your reality. Therefore examine what it is you believe. Are your beliefs your own, or do they belong to your parents? Or perhaps they are beliefs you have adopted from others. When you begin to realize how powerful your beliefs are, you will adapt them to suit the reality of your choosing.

No. 11

THE TRUTH SHALL SET YOU FREE

Let no one decide for you what your truth is. The Truth is something that you were born with. It exists within you and you can tap into your Truth by going within your Sacred Heart center and connecting with your Higher Self and Consciousness.

Once you have found your Inner Truth, it shall set you Free!

No. 12

LOVE YOURSELF UNCONDITIONALLY

Loving yourself unconditionally opens up a doorway into your Soul. It is the first step to experiencing Oneness within your Self. Acceptance of yourself requires nothing more than

unconditional love. You are perfect. You always were and always will be and nothing will ever change that.

No. 13

THE ILLUSION OF NEED

The Illusion of need is one that will have you believing 'there is never enough' and keep you in a state of lack and wanting that which you perceive to be always out of your reach. All you ever really need is Love.

First you must feed your Soul, then your Soul will feed you.

No. 14

FAITH, BELIEVE AND TRUST

Have Faith. Believe and Trust that All is Well. The hurdle you are facing is not as big as it appears to be. You will rise above it. Don't forget, you are not alone. You have all the help you need.

The question is: Do you believe and trust we will catch you if you fall? Be assured, we will.

No. 15

LOVING YOURSELF FREE

We have guided you to 'Love Yourself Free' and now we wish to reiterate. When you have learned to love yourself unconditionally, you will free yourself from the constraints of your lower consciousness. You will loosen the chains that have bound you in illusion, and transcend the lower dimensions of reality.

The world really is a Wonderland, and the ticket is Love.

No. 16

CHANGE

Energy cannot be separated from its Source. Therefore you are never separate from the One who created You. You are larger and more powerful than you think you are. Change how you think about yourself and how you see yourself and your life will begin to change.

No. 17

BEING JOYFUL

We wish today to remind you that your life is meant to be joyful. Take the time right now to look around you and find something that brings you joy. It may be a flower, or a cloud or the feel of sunshine on your face, or the soft breeze in the air, or the sound of music. Or the feeling of love in your heart. You choose.

Joy is all around you. Take this moment of Now to feel it.

No. 18

YOU ARE ALL ANGELS

You are all angels. Every single one of you. You all stem from the matrix of unconditional Divine Love which is the Tree of Life that holds you in Oneness with All That Is. You are never not connected to the matrix, even though it may feel as if you are separate from us. We will continue to hold you in our embrace and love you unconditionally until you remember who you are.

We are your Soul family.

No. 19

LET GO AND TRUST

When something happens that is causing you to feel anything other than love, do not analyze the reason why this event has occurred in your reality. Just know that there is always a blessing in whatever occurs in your life. It may not be apparent as yet, but it will be in time.

Let it go and trust that everything happens for a reason. Do not dwell on it, give it your unconditional love and let it go. You will understand with time why it occurred, and when you are ready, the blessing will become evident.

No. 20

BE UNCONDITIONALLY LOVING

We know it is not easy to be unconditionally loving towards something or someone who is doing something that you disapprove of or dislike. When faced with a difficult person or situation, take a step back and be in a state of acceptance rather than judgment. By accepting them or the situation, it is easier to be unconditionally loving. When you take a step back, you are not engaging your energy (becoming involved), thereby allowing yourself to be objective rather than reactive.

Unconditional love is always the answer.

No. 21

YOU ARE BEACONS OF LIGHT

You are here to be a Beacon of Light, to shine your Light upon your World to eradicate the darkness. Darkness is only the absence of Light Dear Ones. Imagine yourselves to be as Lighthouses, shining beacons that beam unconditional Divine Light upon the World around you. The more unconditional Divine Love you hold within your Heart, the brighter you will shine and the greater your Light becomes.

No. 22

YOUR CREATIVE POWER

Dear Ones, let us remind you that your creative power lies within you. You are no longer attracting what you desire and need, but co-creating it with the Divine. When you live from your heart you will create everything you need. Accept that you are a being of Divine Love and allow the creative power of the Divine to work with you. This is your power also, as you are an intrinsic part of the Divine.

We are all One!

No. 23

NURTURING YOUR INNER CHILD

Let out your inner child to play! Allow yourself to have some fun now and again. Your inner child longs to play. Having fun lifts your vibration and moves you into your Heart. You are loving yourself and nurturing your Soul when you let out your inner child. Children know how to have fun, so let go and let your inner child guide you.

You deserve it!

No. 24

LOVE IS ALL THAT IS REAL

Dear Ones, whenever you feel yourself overcome by negative thoughts that drag you back down into the illusions of the old paradigm, go into your Sacred Heart space and feel the Love of the Divine that awaits you there. Let this Love flow through you and allow this Love to heal you, to comfort and nurture you. Feel this Sacred Bliss and know that Love is all that is real.

All else is illusion.

No. 25

FORGIVE YOURSELF FIRST

Healing yourself from past negative emotional experiences starts with forgiveness. First forgive yourself and then allow us to help you release the negative emotions you have been carrying on your shoulders. Once these emotions have been released you can visit the experience again and heal the experience by giving it your unconditional love. By giving it your unconditional love you can change it, because love changes and heals everything. When you understand that there is no such thing as 'time', that all is happening in the 'Now', then you will understand how this healing can occur.

No. 26

LOVE IS RENEWAL

When you are in your Sacred Heart asked to be filled with the highest frequency of Divine Love possible. Feel the Love of the Divine filling your entire body, healing, rejuvenating, revitalizing and renewing your physical body at cellular level for optimal health and renewal. Thus affirm daily:

I AM Divine Love, I AM Life, I AM Renewed. I AM Grateful. And so it is.

No. 27

THE BIGGER PICTURE

Each soul embodied here has a gift to share. The gift may not be apparent at first, but know that it is there. Therefore do not judge what it is they do. Do not try to change them, or save them. This is not your purpose. They are every bit a part of the Divine as are you. You will be surprised if you could see the bigger picture.

Give them your unconditional love, and your blessing, and trust that everything is as it should be.

No. 28

LIGHT AND DARK

Understand that the dark cannot exist in the light. It is only in this realm of duality that you can experience the opposite of who you truly are. And even then, it is all just an illusion which you create with your powerful mind. Fear is the opposite of love dear Ones. Give your fears your love and you will dissolve the illusion. The dark can only exist in the absence of light and love.

Be therefore the Light.

No. 29

LOVE IS PRICELESS

Everything you need is Priceless. Just like the air that you breathe, the energy of Love is Priceless. And the more you give of this energy, the more Love, Joy and Peace you will receive in return. When you reach higher states of Be-ing and Consciousness you will realize this:

There is nothing you need outside of yourself. Everything YOU are within you is Priceless.

No. 30

EVERYTHING IS ENERGY

Everything is energy. Thoughts are energy. Energy is not bound by space and time. There is nothing that can come between you and energy, because everything is energy. Including YOU. All energy has consciousness. All Light is consciousness, therefore all Light is energy.

And all Light is Love.

No. 31

EVERYTHING YOU NEED

Everything you need can be sourced from within You. You have within you the Source of All That Is contained within the Universe. Ask and you shall receive. You only have to BELIEVE and have FAITH and it shall be brought into your awareness, for it is already there for you.

The All already exists within your Universe.

No. 32

THE CIRCLE OF EVOLUTION

The Evolutionary Process which can be likened to a circle or spiral, is never ending. You are always expanding, in all ways, becoming more of Who You Are as a Magnificent and Divine Being of Creation. You have been and always will be.

World without end.

No. 33

YOU ARE AN INFINITE BEING

You are an infinite Being with infinite potential and creativity. Your Soul is asking you today, "What is it you wish to experience? What will bring you ABSOLUTE JOY?" When you choose to live in your Heart rather than your ego mind, you open yourself up to the field of ALL POSSIBILITY AND POTENTIALITY. There exists nothing you cannot do or BE Beloved.

IMAGINE it with LOVE in your heart and it will be yours!

No. 34

VICTORY

Some things may appear as being insurmountable currently, as large as a mountain range in your current awareness. But if you could see them from our vantage point, they would appear to be little more than an anthill. Relax, the worst is behind you. What you are facing now is nothing more than a slight bump in the road ahead. Allow yourself to be transported by the Universe with ease and grace.

Victory is already yours!

No. 35

BALANCE AND HARMONY

Creation flows with Ease and Grace. Nothing requires any effort on your part, except that you stay in the vibration of Love. Take what you need from the Flow of Creation, and be willing to give as well as receive. The Universe does not need anything from you, but in order to receive, you must be willing to give. Give from your Heart. It matters not in what form you give, as long as you maintain Balance.

Everything in Creation is in Balance and Harmony with Itself.

No. 36

HAPPINESS

Happiness is cultivated from within you. When you are being happy, you are expressing your Self, the highest part of you, Your Soul. Your happiness is felt not only by You, but by all things, and everything around you, because Happiness is energy and energy affects every Thing. All of Life is consciousness and consciousness is energy. There is No-Thing that is not energy, therefore BE happy.

Your Happiness can change your world.

No. 37

LOVE AND APPRECIATION

Love and appreciation go hand in hand. When you really love someone or something, with your Whole Heart, you are appreciating their beauty and the perfection with which they were created. You do not see their flaws, or their foibles. You see Yourself in them, as they reflect your own inner beauty and perfection. This is the Divine and Sacred Love of which we speak Beloveds. Go within your Sacred Heart and you will find this Love there waiting for You, as a Gift from Your Creator.

You are so Loved and Appreciated!

No. 38

FEEL THE LOVE

Feel the Love Angel! When you allow yourself to express love, you are also allowing yourself to feel love. Let the love you are feeling fill you and feed your Body, Mind and your Soul. This is all the nourishment you need now.

Have we not told you, you ARE LOVE?

No. 39

THE BLESSING

*We wish to guide you today that in each moment there is a Blessing. You may not see it and you may not feel it yet, but it is there. If you open your Hearts, Dear One, you shall see that in all things, great and small, there is a purpose. If only that purpose is to have you take a moment, this moment, to just **Breathe**.*

No. 40

I ALLOW...

When you use the affirmation “I allow” you remove all the energetic blocks and barriers you have created from holding you back. You are effectively removing all resistance. These two words hold a powerful energy, so use them wisely.
